To all involved parties,

In the Settlement case of Brown, et al. v. Lowe's Companies, Inc., Case No. 5:13-CV-00079-RLV-DSC I object the terms. As previously stated a small monetary payment will not suffice a lifetime of employment. People with felonies that are giving the impression by a company should be allowed to work for that company. Especially if their conviction is not relevant in harming the business. I am looking for a settlement of a person of my choosing to be allowed fair employment. People need a chance to be a regular citizen especially when they make a mistake at a young age, and follow the rules set by the judicial system.
